Introduction

Established in 1995 and headquartered in Jaipur, Akhilesh Lefin Private Limited (ALPL) is a steadily growing Non-Banking Financial Company (NBFC) specializing in secured and unsecured credit offerings tailored for small businesses and individuals. ALPL formally commenced its lending operations in 2019, marking a decade of strong, compliant, and community-focused financial services.

With a deep-rooted presence in Rajasthan, ALPL offers a range of credit products including:

- **Mortgage Loans**
- **Personal Loans**
- **Business Loans**

Vision & Mission

To become a trusted financial partner for underserved individuals and small businesses by providing accessible, transparent, and secured credit solutions that empower long-term growth and financial inclusion.

- To bridge the credit gap in semi-urban and underserved markets through affordable mortgage and personal loan products.
- To offer customer-centric, compliant, and technology-driven lending services with a focus on speed, simplicity, and reliability.
- To maintain strong asset quality and responsible lending practices while contributing to the economic upliftment of local communities.

Discover Our Services

ALPL

Mortgage Loan

A secured loan where property is used as collateral, typically for buying or renovating real estate. It offers longer tenure and lower interest rates.

Personal Loan

An unsecured loan for personal needs like travel, weddings, or emergencies. No collateral is needed but interest rates are higher.

Business Loan

Funds provided to businesses for expansion, equipment, or operations. Can be secured or unsecured depending on the profile.

Working Capital Loan

Short-term loan to manage daily business expenses like salaries, rent, or inventory. Helps maintain cash flow.

Size of Market

India's financial services landscape is undergoing a rapid transformation, driven by increasing credit penetration, rising consumption, and digital inclusion. As an NBFC focusing on mortgage, personal loans, and understanding the market layers is crucial to identifying the scale and depth of our opportunity.
